Dear Mr Green

I would just like to send a heartfelt thank you to you and your partner for the excellent service and advice given by you when restoring and valuing my library table. Not only did the advice pay off well but the restoration was done to an excellent standard and resulted in the table fetching £3,500 at a recent auction in Christies auction house in Kensington. I may also add that it was your advice which led me to Christies in the first place.

There would be no hesitation on my, or my familys' part in recommending you to carry out any further restoration or valuation in the future should I be lucky enough to aquire any further valuables needing such a service.

Once again, thank you very much.

Yours very sincerely
